# GUIDELINES TO SEPARATE WASTE COLLECTION

—  
TO THE CITIZENS  
OF MAPELLO  
—

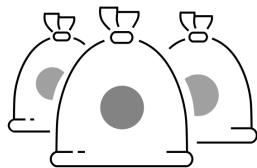

Comune di Mapello

## OTHER WASTE

### IN GRAY TRANSPARENT BAGS

YES:  
Small ceramic, crystal or pyrex shards.  
Disposable plastic cutlery and straws.  
Aluminum or plastic coffee pods.  
Rubber or latex gloves and sponges.  
Bicycle tires and rubber seals.  
Used pads, catheters, diapers, syringes (the needle must be covered!)  
Cotton swab with plastic sticks, cotton wool.  
Disposable hygienic wipes and make-up remover wipes.  
Make up kit: makeup brushes, sandpaper nail files, cosmetics (product only, without packaging!). Disposable toothbrushes and razors.  
Plasticized paper, wax paper or grease resistant paper, baking paper, chemical paper (thermal paper for faxes and receipts, carbon paper), paper and cardboard soiled with paint or oil or solvents.  
Non-biodegradable pet litter.  
Vacuum cleaner bags.  
Bad or damaged fabrics. Nylon and lycra socks. Car sun shades.  
Audio and video tapes, CDs, DVDs, floppy disks and their cases, X-rays, photographic films.  
Cigarettes (unlit!), lighters. Candles and waxes.

### IMPORTANT!

Place the waste outside your homes  
the day before collection  
after h. 18 during winter time and  
after h. 20 during daylight saving time.  
(Reg. Urban and Rural Police: art. 73)

## PAPER AND CARDBOARD

### IN BOXES, PAPER BAGS, PACKED OR IN BUCKETS

YES:  
Newspapers, magazines, advertising brochures.  
Envelopes for letters and food bags (also with plastic parts).  
Cardboard boxes, pizza boxes, paper plates and cups, even if coupled with plastic or biodegradable materials (even if dirty).  
Food containers made of paper coupled with plastic or aluminium ("Tetra Pak") must be delivered empty and rinsed.

NO:  
Paper or cardboard soiled with paint or mineral oil. Laminated paper, wax paper or grease resistant paper, baking paper, chemical paper (carbon paper, thermal paper for faxes and receipts).  
Greasy or with food residues paper towels and napkins. Used tissues.

## GLASS AND METAL PACKAGING

### IN BINS OR BUCKETS

YES:  
Empty glass or metal packaging, metal caps (unscrewed from the bottle), small metal objects (ex. coffee makers), aluminum trays and films.

NO:  
Ceramic, glass-ceramic (pyrex), crystal, mirrors.  
Light bulbs, neon or energy saving lamps. Mercury thermometers.  
Containers full or nearly full with symbols of dangerous substances:

## PLASTIC PACKAGING

### IN YELLOW TRANSPARENT BAGS

Plastic must be rinsed!

YES:  
Bottles, dispensers, cans and various packages also made of polystyrene foam. **Bottles should be flattened by the long side!**  
Bags and pouches for foodstuff including those in silver plastic.  
Food tray packaging, nets for fruits and vegetables.  
Blisters and wrappers, bubble wrap, deflated air cushions, polystyrene foam chips, packaging. Clothes hangers (without metal parts).  
Empty bags for gardening products, flower pots. Toothpaste tubes.  
Disposable plastic plates and cups free of food residues.  
If in doubt, check that one of the recyclable plastic symbols is present!

NO:  
Toys, videogames and electrical appliances (WEEE). Audio and video tapes, CDs, DVDs and their cases, floppy disks. X-rays and photographs.  
Used sponges and rubber gloves. Razors, toothbrushes, combs, brushes, slippers.  
Durable bags, briefcases. Stationery items.  
Purchased empty flower pots, basins and buckets.

Waste bins located throughout our streets should not be used to throw away bulky waste, garbage bags, etc.  
THE COOPERATION OF ALL CITIZENS ALLOWS  
TO KEEP THE TOWN CLEAN AND TIDY.
